Frequently Asked Questions

How do we reserve a Pop-Up Wedding time slot?

Send us an email at SimpleCelebrations@yahoo.com to check availability and to book a consultation to review all of the details. We will determine if an elopement is right for you and then you will select an available event and pick which time slot you would like: 12, 3, Or 6. To make it official, we will send over an agreement and ask for a non-refundable retainer fee (50%) to lock in your spot. The remaining balance will be due one month before your pop-up wedding day.

What do we bring with us to our Pop-Up Wedding?

You and your partner are responsible for bringing your marriage license that you need to obtain a few weeks prior.

Can we stay longer than 2 hours?

We can extend the length of our 12pm and 6pm time slot for an additional cost.

Can we invite more than 30 guests?

For an added cost, you can invite 20 additional guests. For larger parties, we would be happy to speak to you about hosting a larger, private event.

How many photos will I receive?

Couples will receive a minimum of 100 digital images, with the option to purchase more digital files.

What can we do after our wedding?

We suggest a brunch, lunch, or dinner reservation at one of your favorite restaurants or have a casual backyard celebration. Or you could skip all that and head straight to your honeymoon!

Is there on-site parking?

Yes, there is plenty of free on-site parking available for you and your guests.

Can you accommodate dietary restrictions?

Please let us know your restrictions and we will do our absolute best to accommodate you.

Is a Pop-Up Wedding right for me?

Over the years, we have had the privilege of being a part of some pretty amazing weddings. While we find joy in all weddings, we find that the smaller, more private weddings are our favorite. Smaller weddings allow for more intimate experiences with those closest to you and also allows you to save money for perhaps a honeymoon or house. Our pop-up weddings are perfect for vow renewals, elopements, and for any couple that is looking for an experienced planner and professional vendors that can provide a beautifully designed wedding at an affordable cost.
